Admission and Withdrawal

Transfer Students

All students entering the District from other educational settings are required to submit evidence of their achievement in the last grade attended. Grade placement of a student may be adjusted on the basis of examination of the student's previous record, achievement tests administered, or other factors that the principal and staff believe are appropriate under the circumstances. A transcript of all entering secondary school students is required before enrollment can be completed. However, a student may be permitted to enroll temporarily until a full transcript is obtained.

Transfers from Unaccredited Schools

Parents/guardians should be advised that if they choose to transfer their student to the public school from an unaccredited school, the student will not be guaranteed comparable placement in the public schools. Students transferring will be assigned an appropriate grade level and class assignment based on their educational and developmental level as determined by the principal through assessment of student's age, educational experience, achievement tests and consultation with parent/guardian and personnel from the student's former school.
