

Virtual Learning through MOCAP

The Ballard R-II School District supports opportunities for all students to participate in all approved virtual learning courses. In addition, Ballard R-II participates in the Missouri Course Access and Virtual Program (MOCAP). The mission of MOCAP is to offer Missouri students equal access to a wide range of high-quality courses, and interactive online learning that is neither time nor place dependent. [MOCAP Homepage](#)

Local school districts may approve online providers if they can ensure that the statutory requirements have been met. Ballard R-II is a member of Acellus which offers standards-aligned courses for students in grades K-12. For more information on virtual education opportunities, please contact Mrs. Stephanie Nold, Principal, at 816-297-2656 ext. 102.

For more information about Ballard's participation in the Missouri Course Access and Virtual Program, please refer to Board of Education Policy/Regulation 6190, available on this website.
