Private, State and Federal Programs Administration

Private, State and Federal Funding

Steps to be followed in securing grants are:

- 1. Identify a significant District problem or need for program improvement that may be helped through outside funds.
- 2. Match the need or problem with a funding source that subscribes to a relevant purpose.
- 3. Study the background, resources, and funding prospects of the agency.
- 4. Clear with the Superintendent the general idea for a proposal.
- 5. Involve prospective participants in planning for a proposal. Secure parents' written permission if children are to be involved in experimental types of instruction.
- 6. Prepare the application, using the format and following the timeline prescribed by the funding agency.
- 7. Discuss the funding of personnel, including the project director, with the Personnel Director, making sure to apply for full outside funding of all fringe benefits, including unemployment insurance.
- 8. Submit copies as required to the Superintendent for recommendation to the Board for approval.
- 9. If approved, complete the process of submission to the funding agency and its subsidiaries as required, with copies provided to participants.
