

## The Conservation Foundation of Missouri Ed Stegner Natural Resource Scholarships (A Foundation-funded Program)

# Scholarships

The Foundation's Ed Stegner Natural Resource Scholarships were established to provide major financial aid to encourage and assist students in five areas of natural resource management: fisheries, forestry, wildlife, parks and recreation and soil and water conservation. Funding for this scholarship program was provided to the Foundation by Ed Stegner of Pilot Grove, Missouri. A Master Conservationist, Stegner is the former executive director of the Conservation Federation of Missouri, and is especially known for his leadership role in the passage of the 1/8<sup>th</sup> of 1% conservation sales tax to fund the Conservation Department's expanded program, Design for Conservation.

The Foundation's Ed Stegner Natural Resource Scholarships are a joint venture with the professional societies in the five different resource areas - i.e., the Missouri chapters of the Wildlife Society, American Fisheries Society and the Society of American Foresters, Missouri Parks and Recreation Association and the Show-Me Chapter, Soil and Water Conservation Society. These groups provide selection committees that pick the recipients in the respective categories. Once selected, the scholarship recipients are notified and each is presented a check in the amount of \$1,000.00.

### Eligibility

Applicants must be Missouri residents from any county or city in the state who are or plan to be enrolled as an undergraduate at a Missouri college or university in the chosen discipline of study. Preference will be given to individuals with a demonstrated financial need. Applications and supporting materials must be submitted by December 31. Procedures and application are on the reverse side.

### How You Can Help

Scholarships are one of the Foundation's major areas of interest. You can contribute directly to this or any of the Foundation's established scholarship funds or establish a scholarship in your own name through the Foundation. You can also contribute through your workplace giving campaign under the Earth Share of Missouri federation. Federal employees can give in the Combined Federal Campaign by using code 67305.
